

VERIFY BECOMES A HUBSPOT CONNECT BETA INTEGRATOR

Austin, Texas, October 8, 2018 -- Today, **Verify** announced that it has joined HubSpot as a [Connect Beta Integrator](#). HubSpot, a leading growth platform, works with Connect Integrators to help grow their business through listing and marketing and distribution resources to increase shared customers. Connect Beta Integrators are independent software vendors who have built an integration with HubSpot and been accepted to the Connect Beta Program.

Verify is smart software that controls the flow of data between business apps. Verify quickly connects all of your software and customer data, making HubSpot the single source of truth across all of your applications. This new integration with HubSpot emphasizes a growing relationship between HubSpot, Verify, and its mutual customers.

HubSpot's Connect Program is an ecosystem of valuable third-party integrations. Certified Partners comply with a [set of requirements](#).

"We are thrilled to join the robust Connect Beta Program. Teaming up with HubSpot to deliver actionable and honest data to our mutual clients has already proven beneficial to many. We look forward to helping many more with our innovative technology by fueling the rocket that is HubSpot" said Matt Klepac VP, Marketing & Operations at Verify
